6th Annual Conference on ADHD and Executive Function
(MD13)

September 8, 2017
8:00 a.m. to 4:30 p.m.

The University Club
123 University Place
Pittsburgh, PA 15260

Course Directors:
Aaron Jennings, LCSW
Brooke Molina, PhD
John Carter Brooks, MD

Recovery and Wellness: The Journey Starts Here
A Joint Effort Sponsored by Community Care Behavioral Health Organization and Western Psychiatric Institute and Clinic of UPMC
Introduction

The ADHD Across the Lifespan Clinic of WPIC is proud to present the sixth annual ADHD and Executive Function conference. The keynote presentation this year will be given by Dr. Stephen Hinshaw. Dr. Hinshaw is a Professor of Psychology at the University of California, Berkeley, where he was Department Chair from 2004-2011, and Vice Chair for Psychology in the Department of Psychiatry at the University of California, San Francisco.

Dr. Hinshaw’s presentation will be on the topics of diagnosis and treatment of ADHD across the lifespan. In part 1, Dr. Hinshaw will cover ADHD controversies and facts, its interactive causes and underlying mechanisms, its development over time, and girls and women with ADHD. In part 2, Dr. Hinshaw will continue the discussion of rising rates of diagnosis, treatment basics, and stigma (in general and related to ADHD, in particular).

The afternoon will consist of presentations on topics for professionals who work with individuals with ADHD. This will consist of advanced practice discussion of diagnosis of ADHD in different populations and best practice treatment modalities that are evidence informed. Each session will be available for anyone to attend but will concentrate on issues related to the specific group. Participants should leave the conference with a greater understanding of the multitude of issues surrounding the diagnosis and treatment of ADHD across the lifespan.

Who Should Attend

The conference is designed to present the latest research and clinical knowledge regarding ADHD to a professional audience: psychiatrists, mental health clinicians, nurses, social workers, educators/teachers, and psychologists; service coordinators, researchers, mental health policy administrators and others who intend to keep current regarding etiology, treatment, and research related to ADHD across the lifespan.

Objectives

At the completion of the program, participants should be able to:

- Describe the controversies and facts associated with diagnosis and treatment of ADHD across the lifespan
- Discuss diagnostic challenges associated with girls and women with ADHD
- Identify treatment basics for addressing the needs of individuals with ADHD
- Articulate the impact of stigma in mental health in general and as it applies to ADHD specifically
COURSE DIRECTORS

Aaron Jennings, LCSW
Program Manager
ADHD Across the Lifespan Program and
Center for Children and Families
Western Psychiatric Institute and Clinic

Brooke Molina, PhD
Professor of Psychiatry, Psychology and Pediatrics
University of Pittsburgh
Licensed Clinical Psychologist
Director, Youth and Family Research Program
Director of Clinical Research, ADHD Across the Lifespan Clinic

John Carter Brooks, MD
Assistant Professor of Psychiatry
University of Pittsburgh School of Medicine
Medical Director, ADHD Across the Lifespan Clinic
Western Psychiatric Institute and Clinic

KEYNOTE SPEAKER

Stephen Hinshaw, PhD
Professor of Psychology
University of California, Berkeley
Vice Chair of Psychology
Department of Psychiatry
University of California, San Francisco

Stephen Hinshaw received his B.A. from Harvard University (summa cum laude) and his doctorate in clinical psychology from UCLA. His work focuses on developmental psychopathology, clinical interventions, mechanisms underlying change, and mental illness stigma, with specialization in ADHD.

He has directed summer research programs and conducted longitudinal studies for boys and (more recently) for girls with ADHD and externalizing disorders, having received over $20 million in NIH funding. He was Principal Investigator of the Berkeley site for the Multimodal Treatment Study of Children with ADHD (MTA) and founded the Berkeley Girls and ADHD Longitudinal Study (BGALS).

Dr. Hinshaw has authored over 325 publications plus 14 books, including The Mark of Shame: Stigma of Mental Illness and an Agenda for Change (Oxford, 2007), The Triple Bind: Saving our Teenage Girls from Today’s Pressures (Random House, 2009), The ADHD Explosion: Myths, Medications, Money, and Today’s Push for Performance (with Richard Scheffler; Oxford, 2014), and ADHD: What Everyone Needs to Know (with Katherine Ellison; Oxford, 2016). His most recent book, Another Kind of Madness: A Journey through the Stigma and Hope of Mental Illness (St. Martin’s, 2017) addresses the pernicious stigma of mental illness via a deep personal and family memoir. He is former editor of Psychological Bulletin, the most cited journal in psychology, and is a fellow of the Association for Psychological Science, the American Psychological Association, and the American Association for the Advancement of Science.
He is the recipient of California’s Distinguished Scientific Contribution in Psychology Award and Berkeley’s Distinguished Teaching Award, from the Division of Social Sciences. His 24-lecture series for the Teaching Company, “Origins of the Human Mind,” was released in 2010.

In 2015 he received the Distinguished Scientist Award from the Society for a Science of Clinical Psychology. Next, in 2016 he received the James McKeen Cattell Fellow Award from the Association for Psychological Science—the highest honor conferred by APS, honoring a lifetime of outstanding contributions to applied psychological research. Most recently, in 2017 he received the Distinguished Scientific Contributions to Child Development Award from the Society for Research in Child Development.

Continuing Education Credit

Physicians
The University of Pittsburgh School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Pittsburgh School of Medicine designates this live activity for a maximum of 6.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Physician Assistants
This program has been reviewed and is approved for a maximum of 6.0 hours of AAPA Category 1 CME credit by the Physician Assistant Review Panel. Physician assistants should claim only those hours actually spent participating in the CME activity.

This program was planned in accordance with AAPA's CME Standards for Live Programs and for Commercial Support of Live Programs.

Psychologists
Western Psychiatric Institute and Clinic of UPMC is approved by the American Psychological Association to offer continuing education for psychologists. Western Psychiatric Institute and Clinic of UPMC maintains responsibility for this program and its content. This program is being offered for 6.0 continuing education credits.

Certified Alcohol and Drug Counselors/Certified Co-Occurring Disorders Professionals: CADC/CCDP
The Office of Education and Regional Programming, Western Psychiatric Institute and Clinic of UPMC is certified by the Pennsylvania Certification Board (PCB) to provide Certified Alcohol and Drug Counselor (CADC) and Certified Co-occurring Disorders Professional (CCDP) continuing education credits. This program is being offered for 6.0 continuing education credits.

Counselors
Western Psychiatric Institute and Clinic of UPMC has been approved by NBCC as an Approved Continuing Education Provider, ACEP No. 5059. Programs that do not qualify for NBCC credit are clearly identified. Western Psychiatric Institute and Clinic of UPMC is solely responsible for all aspects of this program. This program is being offered for 6.0 continuing education hours.

Licensed/Clinical Social Workers, Licensed Professional Counselors, Licensed Marriage and Family Therapists: LSW/LCSW/LPC/LMFT
This program is offered for 6.0 hours of social work continuing education through co-sponsorship of the University of Pittsburgh’s School of Social Work, a Council on Social Work Education-accredited school and, therefore, a PA pre-approved provider of social work continuing education. These credit hours satisfy requirements for LSW/LCSW, LPC and LMFT biennial license renewal. For information on social work continuing education call (412) 624-3711.

Act 48
Western Psychiatric Institute and Clinic of UPMC is recognized by the Pennsylvania Department of Education to offer continuing education credits under Act 48 guidelines. WPIC adheres to the Act 48 Continuing Education Guidelines.

Other Healthcare Professionals
Nurses and other health care professionals are awarded 0.60 Continuing Education Units (CEU's). One CEU is equal to 10 contact hours. Nurses: For attending this program you will receive a Certificate of Attendance confirming 6.0 hours of continuing education. These hours may be considered eligible for completing the 30 hours of continuing education required for biannual nursing re-licensure in Pennsylvania. Peer Specialists: This program fulfills requirements for Certified Peer Specialist continuing education.
Location
University Club
123 University Place
Pittsburgh, Pennsylvania 15260
8:00 to 4:30 p.m.

Registration Information

Fee Schedule

Please reflect your fee level on your registration form below, and your choice of lunch if you are purchasing it.

If registering online, please go to the appropriate option to register at the bottom of the page at this link: \text{http://bit.ly/2rVJ0AV}:

<table>
<thead>
<tr>
<th></th>
<th>Before 8/1/17</th>
